# Mising /s Optional Report

November 2019

Hello Family,

Everything about the Mising's Optional meeting in Hoodessa is great! We have experienced an increase in attendance and have an average of 7 people every meeting. We have given out a few keytags and celebrated birthdays. Kristen celebrated her 50 and 90 days, and Henry received his first foot today. We took back the news of the open positions at area levels, and at our group conscience voted on the issues. We voted to approve on the Policy change amendment, and while we only caught the tail end of the issue, we feel 9/11 abolition for a starter kit is just too much. We have been welcoming several new regular members at our meeting, and a few members returning to our meeting and looking forward to welcoming more.

In Loving Service,  
Anna R.

Hi Area.

We had another big birthday  
night. The following are the

Congratulations everyone!

Pioneer group approves of  
the suggested new starter  
kit.

We vote No on the new policy  
as it is. We would like to see  
Article V, G rewritten and  
clarified.

I hope everyone is doing well!

Love and hugs,

Dorothee  
Pioneer Group GSR

## Second chance group report 11-09-19

We have been having good turnouts for our meetings which are held every day except Wednesday at 7:00 p.m. All bills are paid. We continue to carry the message to the Arc City community and have numerous new commers many of which are youthful. The old timers as well continue to regularly support our meeting which is a great benefit. We do not have a banner. Our group conscience is held on the last Sunday of the month after the regular meeting and our birthday night is held on the first Sunday of the next month. Our group voted to approve the changes in the quorum requirements for the business meeting, and we already submitted our ideas for the new group package We are making a donation of \$40 dollars.

In loving service

Travis C
