April Recovery In Progress Report

Hello Area,

I hope all of the groups are adjusting to these new changes our area has been going through. We have temporarily closed our meetings due to the virus and to respect social distancing. We have started online Zoom meetings just like most of the rest of the groups in the area. We have had a really good turn out so far and are going a great job of staying connected with one another. It would really break my heart to see someone go back out because of not using the resources available in this time of need.

Before we closed our meetings we had a few newcomers pick up white key tags and we did celebrate a birthday, Scott F. with 12 years. We are doing our best to get the message out there that there are alternatives to in person meetings. You can lead a horse to water but you can't make him drink. It's sad to say but we will all probably see some members go back out. So I encourage **everyone** to reach out to those who are not staying connected. You might save someone's life with a simple phone call.

Hopefully things will get better soon and we will be back in our hall giving hugs. By the way we need to come up with an online capture the flag to have some fun and stay connected. We could also plan a day to see how many members we can get in a zoom meeting, kinda like an online marathon meeting.

We are meeting Monday & Wednesday @ 7:00 PM, and Sunday @ 1:00 PM. Our Zoom ID # 689 075 4755 password if needed is 055 932

Thanks Scott F. Recovery In Progress Alt. GRS

Last Chance Group Area Report April 2020

Greetings Area Family;

Last Chance group in Eureka had our last in person meeting on March 10th as the church where we hold meetings closed due to COVID 19 and a town/county ordinance restricting gatherings.

Our monthly group conscience was held via teleconference on March 31st and it was decided that our in person meetings would be closed until further notice and that we would conduct meetings via Zoom at our regular time of Tuesdays at 7:30PM. We held our first Zoom meeting on April 7th.

Zoom meeting link for Last Chance is:

<https://us04web.zoom.us/j/8748800673>

Meeting ID: 874 880 0673

We are updating our flyers to reflect this change and will be updating our weekly notice in the Eureka Herald Newspaper as well. We are adding phone contact information to our flyer as well.

Grateful to be of service,
Randy R (GSR)
Tonia R (Alt GSR,secy)

2nd Chance Group report

04-13-20

Hello all and Happy Easter, hope you all are doing well amongst this craziness. Here in Arc City we are still carrying the NA message to the local community. We still have physical meetings in our room every day except Wed. at 7 p.m. Normally there are under 10 people in the room. In conjunction with this we as well host a zoom video meeting chaired from our meeting room. Anyone can download and install Zoom from the google play store at no cost. Our meeting ID is 903700945 if they ask for a password it is 462202. You must allow audio and video recording to see and hear everyone. We have been doing this for a few weeks now and they are well attended growing all the time. We have not had a business meeting yet this month but plan to via Zoom in the near future. At present all our bills are paid but I'm sure the 7th tradition will be substantially lower this month. As well our birthday nights have been postponed until such times as we can celebrate everybody's milestones together. As well our speaker jam scheduled for the 25th has been postponed, no date set as of yet. March was an extremely busy month for clean time in our group we had, one 35 years, two 12 years, one 33 years, one 9 months several 30, 60 and 90 days .

In loving service

Travis C

April Webmaster Report

Hello Area,

I hope everyone has visited the website recently to see all of the updates and information that has been added. I can't give enough credit to Sarah W. for all of the hard work she has put in so that we can have an up to date website. She built the new page and kept me on track so I wouldn't complicate it too much. With that being said she is the new webmaster. Oh, by the way this is new news to her so give her some congratulations.

When you go to the *Meeting Changes Due To Covid-19* tab you can see each group's information and links to their online meetings. There is also additional information and some useful links to check out. If you have not visited the website yet go to www.jftareana.net and check it out.

Thank you to all of the groups for sending me your information and updates. It has been a huge help. Please keep me updated on any new changes being made in your home groups, I will try my best to keep all of the information up to date. If anyone has any suggestions or additional information they would like added please let me know.

April Literature Report

Hello Area,

We don't have much to report this month with all of the changes we have had to make with this new temporary life style. Last month we did get all of the groups their orders and the 24 Basic Text's for MARCNA were delivered to Rich C. We currently have a stock of \$944.16 available. I will attach a copy of what we have on hand. If there is anything your group needs please let me know and I will do my best to get those items to you. We have a Literature escrow of \$73.74. I would still like to plan a literature fundraiser, but I think it is best to wait until things get back to normal. Hopefully Freebirds is still willing to host a fundraiser. Feel free to contact us with questions or concerns.

Thanks Scott F. & Sarah W.
