Old Business

Regional Motion 08162020-02 needs to go back to groups and we can vote on it next area.

NEW BUSINESS

Mark H&I Chair has fulfilled his term and is stepping down.

Scott would like GSR's to take back to groups discussion to increase literature inventory by \$1000.00. It would provide anything someone ordered without waiting for shipment.

Suggestion was made that above literature increase of \$500.00 may come from MOM profits. Former Activities Chair shared concerns that next Activities Chair's (Skylar) committee may decide to change MOM venue from Big Hill Lake which may be an increase in 2020 MOM profits and that we might want to be careful with those monies.

Hat was passed for lunch next area. It will be our Area Thanksgiving Celebration on 11/8/20 at Yates Center, Sub-committee meets at noon. Area will provide meat. Susie has volunteered. Members will bring sides.

Next Area is 11/08/20. Sub Committee's at noon at Yates Center.

Pray out with 3rd step Prayer at 3:06pm

Hello JFT Family,

Recovery is going strong at Pioneer. chr
an awesome show of Unity we created
Hybrid meetings for Birthday night and
our speaker meetings.

We as a group request more time to go
over the motion from Region before we cast
a vote.

We closed a lot of our zoom meetings
as our meeting hall has meetings available
every day now.

Join us for our hybrid ^{speaker} meetings on the
first friday of every month at 6:30 pm.

Hello Area,

10/11/2020

Never Alone group is struggling to keep the doors open. Donald and I are the only ones that are opening the doors. He is out of state with his job and I have football games on Friday nights. We have suggested to temporarily change the meeting from Friday to another night but that doesn't work for the treatment centers as they have other ~~priority~~ things going on through out the week.

As of now Donald and I can not maintain the group alone. We do not want to close the meeting but with the circumstances and the inconsistencies of not having a meeting, ~~this was~~ we don't know what ~~to~~ else to do.

As soon as football season is over at the end of this month I will be able to open the meetings every Friday.

Thank you for allowing
me to serve

October Recovery in Progress Report

Hello Area,

The Recovery in Progress group is plugging along pretty good. We have had a few newcomers show up and pick up white key tags here lately. Hopefully they keep coming back and find a new way to live. We celebrated a couple of birthdays last month, Angle with 30 days, and Jackie with 90 days. Attendance is still a little slow but we are keeping the doors open for those in need of recovery. There is a little talk about closing the Sunday book study meeting but the doors are open for now. We have a twenty dollar donation for Area this month.

Thanks Scott F.

2nd Chance Group report 10-11-20

We are still doing face to face meetings and have been having excellent turnouts averaging about 14 people per meeting which are still every day except Wed. at 7 PM. Our campfire, karaoke, hot dogs and smores evening is every third Sat after our regular meeting, they have been a huge hit, the next one is this upcoming Sat. the 17th, please feel free to join us. These take place every 3rd Sat during the summer months. All our bills are paid. We extended our \$100.00 dollar donation directly to world for another 3 months. For birthdays we had one 18 months, one 2 years, one 13 years years several 30, 60, and 90 days as well as welcoming several newcomers into our group. We approved both regional motions with regard to the BTLM and the regional world donation.

In loving service

We did very well with campout. I was able to pay Mark S. for shirts before leaving the campgrounds. I paid \$455.35 in cash so this is the only place you will see that noted. I will also be writing a check today for the final three months rent for the year.

October Webmaster Report

Hello Area,

I know you all have been checking in on the website to see the new meeting finder and printable list. I think it is a good addition to the website and it's pretty easy to use. I contacted Curt S. after our last business meeting and got everything set up. If you haven't had a chance to check it out please do and let me know what you think. We now have two options for the printable meeting list. One is in the meeting finder page, which is a landscape layout. The other is a tri-fold list that is on the homepage just below the list of homegroups. Both can be downloaded to a phone or computer and shared or printed out.

As far as I know all of our groups meeting information is up to date. Please continue to send me any changes so I can keep our website accurate for those addicts seeking recovery.

Thanks Scott F.

JFT Area-

Oct 2020

Hello all! First, let me thank you for allowing me to be of service as Activity chair! I look forward to serving again soon in another position. However, in the spirit of rotation I'm moving on. It's always an honor to do any type of service work. I do have all totals to transfer to new chair

The 2020 Mirror of Miracles Campout was a huge success and thank you to everyone who helped! Mark S. for cooking evening meals and Sunday morning breakfast. Craig, Scott, Sam, and everyone for helping make our "free dinner" amazing! Sarah W. always helping with game and keeping adults and kids entertained. It takes a tribe and it's amazing and humbling to watch us all together make an amazing experience for everyone.

We sold out of shirts and mugs and did well raising money for next year's campout. Our ~~current balance~~ ^{deposit} ~~was~~ ^{was} ~~2391.50~~ ^{2391.50}. We spent \$367.87 on food, Activities \$100.00, Campsite \$350.00, Shirts \$455.75, \$328.73 a total of \$1,601.48. We also sold 800.00 worth of hoodies (Pre-order).

This year our fundraiser prior to function was the hoodies. In previous years we held fundraisers prior to the campout! Great job everyone keeping our free campout free!!

In loving service, Andrea P

October Literature Report

Hello Area,

It has been a good month with our literature sales. I filled a few orders at the campout that wiped out quite a bit of our stock. I was able to place an order to refill the Area stock and get a few groups the items that they were needing. I have already received that order and made arrangements to get that literature to the homegroups. It has been almost a year since we have started this new literature adventure and it seems to be going very good. I now have a pretty good idea of the items that we need to keep on hand and a few items that we need to stock more of. Key tags, coins, IP's, little white books, Basic Texts, JFT's, step guides and It Works How and Why have been the biggest sellers. When our Area has the extra funds I would like to see us add to our stock. We currently have an escrow of \$481.51 that will change to \$93.97 after I receive all of the group's money and pay for the order I just received. Listed below is a list of last month's orders.

Parsons	\$55.80
Sedan	\$53.20
Coffeyville	\$233.00
Emporia	\$310.75
Independence	\$170.10
Ark City	\$67.99
