Please Take Back to Groups (TBG)

Decision was made to continue MOM campout at Big Hill Lake. No opposition. Needs artwork ideas from addicts. Please take back to groups.

Soul to Soul dates will be Sept. 17 - 19, 2021.

Recovery Fest will be 1st full weekend in June 2021 at Elk City Lake, Kansas.

Tonia asks is anyone knows of any DOC institutes have zoom capabilities due to Pandemic. Discussion. Susie will follow up.

Old Business

Motion passed to increase Literature Fund by \$500.00 to come from General Fund.

New Business

Scott brought up possibility that we vote every month as to next area meeting. Joshua likes in person. Ben T. has proper equipment to facilitate in person and zoom meeting (hybrid meeting). Tonia suggests using Emporia Pioneer meeting hall for area meeting because they have the proper equipment. Scott will check into his contact to see if he can secure equipment for hybrid meeting. Mark suggests to look into for future.

After this point in zoom recording after trying unsuccessfully several times my gmail would not load because the server or network failed and would not allow me any more recording and my notes reflected no more business.

I do know we closed with the 3rd step prayer.

Next area on 1-10-20. 11:00 am for sub committee and meeting starts at noon.

Pioneer Report

Hello JFT Family,

We still have all of our in-person meetings for those who choose to attend. We celebrated 6 birthdays this month! Bryanna 60 days; Jake 90 days; Tammy 1 year!; Mickey 18 months; Ben T. and Wayne 9 years!

We have not had a Group Service Meeting since the last JFTASC so there is nothing new to report.

In loving service,

Joshua B.

MIO is doing better with attendance sporadic.

As all know the speaker dinner that was to be 2moro night has been cancelled. Thank you to Andrea and Craig for agreeing to share their ESH. Hopefully, they will agree to something after COVID. Many people were excited to hear them both share.

Last Chance Group Area Report December 2020

Greetings Area Family;

Last Chance group in Eureka resumed in person meetings and elected to discontinue Zoom meetings. There was discussion and and no consensus over this as Randy and Tonia are disinclined to attend meetings in person.

Meeting attendance is really low...usually 2 or 3.

We are making quarterly donations to JFT area and the church where our meetings are held.

Randy celebrated 23 years in October.

Grateful to be of service,
Randy R (GSR)
Tonia R (Alt GSR,secy)

Hello family, hope all is well. Due to the increased Covid cases along with recommendations from the KDHE to limit numbers of people at gathering's, I have decided to cancel Sunday's meeting in person and have it via Zoom instead.

I apologize for such late notice, but feel it is in all of our best interest to not meet in person. Please help spread the word to anyone you can think of that might have been planning to attend. There are a lot of new people that I don't have email addresses for yet. I will also be posting on the JFT Facebook page..

December Literature Report

Hello Area,

I have sold a few items this month and our inventory is running low on a few items. I will have those group orders on my report next month. I will be placing an order in a couple of days so if your group is needing anything please let me know. I have a few group orders ready and I will make arrangements to get them to the groups as soon as possible.

We currently have an inventory total of \$1,125.24 and an escrow amount of \$174.07. Please keep in mind that the co literature position is still open. It's a great opportunity to get involved and stay connected with the members of our Area.

Thanks Scott F.
