Never Alone Sedan Report

There is still a meeting going on in Sedan Friday nights. To be honest this group is struggling. I do not attend this meeting, Sarah W. is not available at this point to attend this meeting, and Donald B. is out of town for work on a lot of the meeting nights. This leaves 2 tx centers full of gals and very little people available to carry the message to them. We have talked about changing the meeting night but have not executed a solution to this. I am in the process of moving out of Sedan so I am not much help in the future. Another issue is there a member who I see as a predator who has been resurfacing at this meeting. There is not enough eyes to keep watch anymore on this member. The Director at one of the Tx centers is concerned and we are going to lose the attendance of this treatment center at the meeting due to this members alarming behavior. This is a reoccurring problem. He has been spoken to by long time NA members and stopped attending for a while, but not he is back. Here are some behaviors I have noticed: gives intimate hugs, buys girls cigarettes, gives girls cash, offers for girls to come live with him after they are done with treatment, shows up unannounced at the girls scheduled activities, goes to the same church as the girls and talks to them each Sunday, takes the gals on rides on his motorcycle.

Thanks for the service,

Jessica L. GSR for Never Alone

Also gave a 50.00 donation to area today.

March 2020

All is well at A Way to Recovery. Our group voted to help out MARCWA Hospitality room by donating paper goods. Yay! We celebrated a few birthdays this month. Alex with 2 years and Tasha with 9 months. Our attendance has been great with a few newcomers.

Thank you for letting me

Hello JFT Family,

Recovery is still going strong at Pioneer Group. We celebrated 12 birthdays this month. Christina and Luenton 30 days; Jenny 60 days; Jen, Heather, Cyrie, and Shone 90 days; Lea 6 months; Mickey 9 months; Tom 10 years; Les 16 years; and Vickie 25 years.

Our group held a C.A.R. workshop and turned in tally sheets to our Regional Delegate yesterday. Attendance was very sparse and I hope other groups have had a greater turnout.

We have a \$100 donation to Area for this month and last. We also have an additional \$500 donation to Area because our group is doing well and we want to support our service structure. There was discussion of funding our new Area Literature Effort however we want Just For Today to use these funds as they see as best.

Second chance group report 03-08-20

We have been having consistent turnouts for our meetings which are held every day except Wednesday at 7:00 p.m. All bills are paid. We continue to carry the message to the Ark City community. Last month we started bringing H&I meetings into the local treatment center in Winfield. In conjunction with our 4-year anniversary as a group we will be hosting a speaker jam on April 25th from 1 to 8 P.M. that will feature speakers from our area and from OK. Mark S can elaborate and answer any questions you may have. Recently members from Emporia brought over 10 people to retrieve their banner and snag ours, again. We thoroughly enjoyed their presence as what was shared at that meeting was particularly insightful to a newcomer that has been attending and it is always nice to hear a fresh and different perspective on recovery from addicts outside our group. Our group has designated Mark S as our representative and acting GSR in my absence for any votes that may arise at the area meeting. Our group conscience is held on the last Sunday of the month after the regular meeting and our birthday night is held on the first Sunday of the next month. We are making a donation of \$40.

Hello JFT Area Family,

Everything is going great at The Recovery in Progress Group. We have had few newcomers in the last month. We have also celebrated a couple of birthdays, Sheryl got her JFT, & Shyann with 30 days.

On March the 28th starting at 3pm Recovery in Progress is hosting their Second Speak & Eat. We will be having hamburgers & hotdogs; if you can bring a side or desert. Also there will be a 50/50 raffle, bake sale & Auction. We look forward to seeing everyone there.

Our group has brought a \$20 donation to Area.

Thank You,
Catrina W.

Hello Area.

I haven't been able to get out and about. But great news! Basketball is over! So I will be able to get out on the asphalt! Catrina N has expressed willingness to be outreach Co Chair! This will be great as we can travel together!

RCM Report March 2020

Hello Family,

Hope everybody is doing well and is having a chance to get out and enjoy some of the beautiful weather we have been having lately. Anyways I am going to go ahead and jump into my report with open positions at Region. The open positions include Regional Delegate Alternate, P.O. Box, Co-Treasurer, Archivist, Co-Secretary, Public Relations Secretary, H/I Coordinator, Co-Chair for Fellowship Development, Facilitator, and Co-Facilitator. There are plenty of positions open for those interested in getting involved with service work at a Regional level.

During the open forum discussions took place involving why the RDA stepped down. This was of concern due to how soon the Regional Delegate and Alternate Regional Delegate would be leaving for the world conference. Also, there was discussion on the need for the P.O. Box being filled by somebody living in the Salina, Kansas area because of how challenging it would be to move the P.O. Box location. There was also much discussion on having the Alternate Store time frame adjusted so that groups trying to raise funds can sell their items at more opportune times. It was recognized that it is too late for adjustments to time to be made for the upcoming convention, but the likely convention chair for next year stated she would keep this in mind when developing next years events schedule.

For old business we covered the new counts that each Area will need for the MAN and Regional Meeting Lists. I am sorry, but I don't recall the numbers I gave them, but I can say I based it on us having eleven groups in our Area and the meeting lists that go into treatment centers. It was also confirmed that starting at the May RSC wi-fi will be available for our Regional meetings.

The new business that was covered included the treasury oversight requesting the conventions financial records due to a significant discrepancy. I have since talked with the treasury oversight and he believes this is due to a lack of a paper trail, but the convention committee is currently working to get this resolved. During new business it was also discussed and agreed upon that Jeffrey L. would fill in as the RDA. He is not being elected into this position but will be joining the RD to provide him with assistance that is believed necessary. As noted earlier in open positions the RDA is now posted as open. Ben T. did express interest for the RDA position but was unable to be voted in due to it needing posted for a quarter. Also somebody with experience was needed since significant training and understanding of how things work at world level as well as working knowledge of the topics is necessary. A big thank you to Jeffrey L. for stepping up on such short notice to be at world service for our Region. Next in new business was a request from our Regional Campout committee to use the RSC meeting location for their interim meeting. On April 11, 2020. This was discussed and approved. The next topic of discussion was regarding the lawsuit that has now been filed by the Autonomous Region. This is involving the Fellowship Intellectual Property Trust (FIPT). I am including an attachment of the lawsuit that the Autonomous Region has filed. The final topic that was discussed was a motion brought forward from the Miracle Area. This motion involved changing the policy for when the Regional Campout location be decided. This would allow the changing the campout location being decided at the close of the campout to being decided on Sunday of each May RSC. I have brought copies of the motion to be distributed at Area.

I want to remind EVERYBODY that if you haven't filled out a tally sheet for the motions for the CAR/CAT it needs to be done as soon as possible because our RD needs to add up all of the votes so he is aware of how he needs to vote when he goes to represent us at world.

Some final notes I would like to add are that the MAN is needing submissions for our Region's newsletter. Soul to Soul is looking for locations to hold fundraisers. This years Soul to Soul will be September 25-27 at Camp Chippewa. Hope everybody can come to this amazing spiritual retreat. Our conventions hospitality committee is requesting donations of coffee and paper products. It was discussed that Project Primary Purpose (P3) is needing to have a fundraiser. P3 is the group that provides our Basic Text to people behind the walls. Even though they are out of Nebraska they provide a very large number of books to inmates in the state of Kansas and it would be awesome if we could support them since they are reaching out to addicts in another state and providing them with NA literature. If anybody is unaware the regional website is www.marscna.net . Just in case anybody was wondering.

Well I think that is all that I have. Hope everybody has a fabulous day and enjoys the MARCNA fundraiser that will be starting shortly.

In Loving Service,

Rich A. - RCM

Hello Area,

We were able to place another large literature last Sunday, March 1st. We ordered the 24 Basic Text for MARCNA as well as some literature for the groups and a few more items for Area Literature. The order was shipped out at the end of the week so I'm hoping to receive it this week. If I do I will have those group orders at the Recovery Fest fundraiser on March 14th. If not I will do my best to make arrangements to get those orders to the groups so they don't have to wait until the April Area to receive them. I will send a message to the groups when I receive the order from Naws. I gratefully appreciate all of the willingness and patience on our Area literature project.

Thanks Scott F. and Sarah W.

Public Relations Report

March 7, 2020

Hello Area,

I have reached out to Coffey County Health Systems and they would like to have some information packets available for the emergency rooms and also for employees. I have some that were from 2012, and I don't know if these pamphlets get updated like the literature, so I'm needing some guidance with them. The envelopes include the following IP's;

A Resource in Your Community
Welcome to Narcotics Anonymous
Recovery and Relapse
Area Meeting Schedule

The envelopes I have currently, contain WMANA meeting schedules and the Resource IP is from 2012. I also thought it would be appropriate to include "Welcome to N.A."

If it is ok with the area I would like to give 10 envelopes that include Just For Today's current area meeting schedule and updated IP's if needed to the Head of Nursing and E.R. at the hospital to have when needed. I asked, and at this time there is no place for a literature rack.

Also I have a tote full of Information Pamphlets if the literature chair would like to go through and see if they would help with inventory.

In old business I finally got hold of Victor Burr with the Burlington jail and inquired on what they wanted as far as meetings being brought into the jail. When I asked him what they were looking for as far as clean time requirements, how many people, how long did they want as far as off paper, he said I was speaking Greek to him. He asked if I would write something up that he could give to the Sheriff to look at and we could go from there. I am asking for guidance on this matter because I do not know what the area has as far as policy goes for guidelines on taking meetings to the jail.

If I can get a baseline for other jails we go into with H&I, then maybe another trusted servant and I can set up a formal meeting with the Sheriff in the near future to present it and get more clarification to bring back.

Finally, spring is slowly making a comeback and with that there are many community events popping up around the area. If you hear of any in your local area where we can pass out IP's and meeting schedules please let me know. I will be looking up area events and try getting support to get out into the local communities.

That's all I got, thank you for letting me be of service,
