PR Report for May on June 14, 2020 Good Morning Family, I need to apologize for not getting this report done in a timely fashion. Rich reminded me twice this week and I spaced it.

First - thank you for opening up the meeting halls !! I guess Phase 2 for NA will be handshakes then hugs.

On to business, I have been in touch (contactless of course) with Coffey County Jail and they are looking at Wednesday evening maybe once a month to start 7:30 pm since they have dinner at 6:30 pm., but maybe 5:00 or 5:30 pm. Would be better. We need to discuss willingness in H & I and gather more information which I will do before

the next ASC. Thank you so much for your patience. In loving Service,
Suzie Q.

RCM Report 6-13-20

Dear Family, Hope everybody is doing good and staying healthy as places start opening back up and individuals start interacting more frequently. Anyways this will be my last report as the JFT area's RCM and in all actuality it is a report to say that Travis our areas alternate RCM will be reading the report from the RSC. I am at this time stepping down as the RCM as I have been of service as RCM for a year now. I do still plan to continue being here at area and might even step up for sort of position. I have truly enjoyed going to the RSC and will likely still be going to that as time allows. I truly appreciate you all allowing me the opportunity to serve as this area's RCM. In Loving Service, Rich A.

Alt RCM Report for May, 2020 Hello JFT Area, please bear with as this is my first time doing the RCM report. I printed out all the minutes (36 pages) and have them here if anyone wishes to review them. The regional meeting was held May 17, 2020 via zoom. The motion regarding the campout vote passed. Concerning MARCNA 37, first off there was a moment of silence observed in honor of our brother Grant Lindsley, he will be deeply missed. Due to the COVID 19 situation the convention was cancelled for this year (2020), it was decided that all current convention committee members would remain in place until next years convention that will take place April 16 - 18, 2021 in Wichita. Angie B was voted in as convention chair and will take over that position from Ben T. after the conclusion of next years MARCNA 37. FYI the convention will be held in Wichita for the next 3 years. The committee

decided that anyone who is pre-registered for last years convention will be credited to next years fee they as well will be reopening the pre-registration cost of \$25. And other special offerings and prices to be determined and will run until February 14, 2021. Looks like the "Last

Door" group in Junction City is now closed.

Soul to Soul will have a fundraiser in Emporia on July 18 as well as at the

August RSC along with a speaker. The Marquette School now has internet, it was tabled until next meeting to see if we will approve an extra \$100. annually for rent. RCM's voted to temporarily halt the printing of the group meeting lists until such time as we again have face to face meetings. We are getting a debit card fir Region so the website and P.O. Box and phonline will be on auto pay. The newsletter was mailed out to the ASC's.

We voted to change the prudent reserve to \$7,500., our policy has us donating each May, we tabled until August RSC. I will put on new business what our group conscience will be so we can vote on this as to our area's preference.

Only couple of groups filled out the CAR, CAT reports, they need them before June 27th for the second part of the WSC which will be a zoom meeting. Again, I have the entire 36 pages of the minutes that should be going around for anybody that wants to see them. I welcome any comments or critique if any part of my report was not up to par and I look forward to serving m as your RCM for the next year.

In Loving Service, Travis C.

June Literature Report

Hello Area, It is good to see us meeting again in Yates Center, kinda hard to get very much business done Zoom. Surprising enough we did sell a little bit of literature last month. The 'Coffeyville group purchased \$170.35 and I purchased \$25.00. That leaves us with \$709.33 of stock on hand and an escrow of @269.09, I have been in contact with a few of the groups last week to see how they are doing with literature in the home groups. I need to restock our area literature as we are running low on a few items. Its looking like we will be able to place a pretty good. If your groups need anything today let me know and I will get that to you if we have it on hand I will get ordered this week. How does everyone feel about having a literature fundraiser soon?

Thanks Scott F.
