Last Chance Group Area Report January/February 2021

Greetings Area Family;

Our group continues to carry the message on Tuesday nights at 7:30.

Attendance has dropped some, meetings averaging 2-3 people this past month.

We have donations for JFT area and the church where we hold meetings though we are holding off on sending a check to area until we are certain about how/where to send it so that it is received and deposited in an expedited manner.

A member has contacted the church to try to obtain access to the wifi in order to hold online meetings again but we have not yet heard back from them. Also expect more members to be able to attend in person meetings soon as vaccinations become more readily available.

Grateful to be of service,  
Randy R (GSR)

Hello JFT Family,

Recovery continues at Pioneer Group. We have welcomed several newcomers into Pioneer Group and have celebrated several birthdays. Jenny- 30 days, Maudi- 60 days, Eric- 6 months, Tammy- One year, Renee- 2 two years, and Les- 17 years. We have resumed a Wednesday 6:30pm "mandatory mask" meeting at Pioneer Hall. Zoom meetings are still 3 days a week with good attendance, along with daily meetings "face to face" at the hall. We had a successful St. Patty's Day function last night at Pioneer Hall with a potluck, raffle, auction, and a guest speaker. Turnout for the event was great. Thank you to all who came and joined us in celebrating.

In Loving Service,

Quenton C. Pioneer GSR

Hello JFT Family,

There is not much to report, as the key still works for the PO Box, but there seems to be no mail coming through as of Thursday, March 11.

## **March Recovery in Progress Report**

Hello Area,

Not much to report this month. Attendance has still been down quite a bit but we are still keeping the doors open and carrying a message of recovery. We have had a couple of newcomers pick up welcome key tags, hopefully they keep coming back. We did not celebrate any birthdays this month. We have a \$40.00 donation for Area this month.

Thanks Scott F.

Greetings area family.

Things are going well at second chance

We've had several 30 60 90 birthdays and have welcomed several newcomers. Our Wednesday night meetings have been going very well with at least 20 or more people there every night. This coming Saturday is our s'more campfire karaoke and we will be hosting it at Walnut Park after the regular meeting (weather permitting).

That's all I have to report at this time. Thanks for letting me serve.

## March Literature Report

Hello Area,

I received a few group orders last week and I am working on getting them taken care of. Pioneer placed a pretty large order that wiped out quite a bit of our stock. I was able to fill about half of their order and delivered that to them yesterday. I have already placed an order with NAWS to replenish our Area stock and fill the rest of the group orders. If your group is needing any items please let me know. I will have all of the transactions on my report next month. We currently have a literature stock of \$1,310.46 and an escrow of \$575.61.

Thanks Scott F.

## March Webmaster Report

Hello Area,

No changes to the website this month and everything is up to date as far as I know.

On February 26th our website auto renewed for 2 years. I did not receive any information about this until after the fact. A \$120.00 payment was taken out of our previous webmasters personal account (April J). I have already been in contact with her to clear up this issue, and I have a mailing address to send her a reimbursement check. So our website is paid in full for another 2 years. The next payment will be due on February 26th, 2023. I am going to go into the account settings for our website and remove April's information and turn off the auto renewal so we do not have this happen again. I apologize for the mistake and I understand if you all want to fire me as our webmaster.

Thanks for letting me serve Scott F.

There is not too much to report other than I have received a few submissions for the artwork for the mom campout. I'm eager to vote on the winning submission. I will also be working on anything else that needs to be taken care of for the mom camp out.

Thank you for letting me serve, Skylar G

Central Kansas Area- Just for today group is having the 21<sup>st</sup> annual rib feed on September 11<sup>th</sup>, 2021, Phoenix group of Salina planning their 50<sup>th</sup> anniversary for July 2022 as well as scouting campout sites for June 2021.

JFT Area- We have a bunch of upcoming activities in our surrounding area, hope everyone has the chance to attend some of these after having been locked down for the past year. If you are not having fun and enjoying your recovery it is your own darn fault, perhaps a call to your sponsor is needed? (lol)

Shake A Leg -April 30 May 2. Clean and Crazy June 18-20. Cave in October 1-3. MOM campout is set for September 24-25, recovery fest (nonofficial) set for June 4-5. There are many other campouts such as Freak out at Lake Tenkiller and No Name campout at Lake OOlagh May 28-31. Open positions will be listed at the end of my report.

Oz Area- The event "The whole Enchilada" will take place on March 6 starting at 10 am. Sponsorship theme along with an auction and raffle.

Wichita Metro Area- their campout will be held at Lake Afton Shelter on September 10-12, 2021.

Campout- All convention fees that have already been paid will roll over to the MARCNA 2022 that will be held Wichita on April 8-10.

The New way group in Lawrence is struggling with attendance it meets on Wed at 8pm. They can use some support if you are in the area please give them some support.

Soul to Soul- is set for September 17-19 open positions will be listed at the end.

It is motion 08162020-3, to retain a \$200 dollar quarter line item to provide regional funding to areas that may need assistance in printing the regional meeting guides. This will be voted on at the May RSC.

Motion passed to continue to use as it as we have been doing with motions that need to go back to groups, this will be until we confirm policy or make a change.

Motion passed to invite Rocky Mountain Zone to our next Car/Cat with the understanding they will hold the next one.

Motion passed to give Zonal representative authority to go ahead with US zones proposal to collaboration of vision statement.

Motion passed to aid in the month of caring and sharing sessions in April 2021.

Motion passed to approve changes made to Zonal policy.

Court cases, there are two main cases that are/were of concern, but both have had favorable resolutions in NAWS' favor. In the one that originated from the Autonomous Region the judge found that their petition was not worded correctly and that they will not be able to amend it. In the other case a Russian court found that NAWS was not a subversive group which is good news.

Please check out [www.na.org/bulletins](http://www.na.org/bulletins) to review bulletins, we have until May to review the changes that are going to happen in the upcoming Conference Agenda Report. These can be viewed at [www.na.org/fipt](http://www.na.org/fipt).

Also check out NAWS Instagram @narcoticsanonymous it has over 6,500 followers.

As well visit the new media page at [www.na.org/media](http://www.na.org/media) feel free to poke around you will find all kinds of interesting new stuff. For more detailed info about all the above as well more information from the latest US Zones virtual meetings please refer to Rod's and Jeff's RD/ alt RD reports which is part of the Regional minutes, if you like and do not have them message me and I will forward them to you.

We are in the process of updating our regional motions policy and have created an ad hoc committee to streamline this process.

## Motions

- The motion passed to end the quarterly printing and distribution of Regional meeting guide and instead have areas print it. It can be found at [www.marsna.net](http://www.marsna.net)

The motion passed to update the policy language for the Regional campout.

The motion was passed to have the next RSM in May in a virtual format meaning on zoom.

A motion that needs to be sent back to groups so our area can vote on it is about the cessation of printing the regional meeting guide.

If your area would like to host the 2022 campout find a location and bring the proposal back to the May RSC. Areas are supposed to get on board Curt concerning the BMLT, Scott has that well under control. In May we will set prudent reserve and send money to NAWS Zonal.

There is nothing in policy to remove an Area for missing RSC'S. It was asked too, in policy we should exhaust all options prior to unseating. Daniel and Ben will reach out to NANA and attend their area meeting in Junction City at 1 pm.
