Hello NA family. RUTS is alive and kicking with recovery. We are still having meetings 7 days a week at 6:30 in Wellington ks with an average of 10 members in attendance. It is always inspiring to see new comers, celebrate milestones and have visitors. We have had a few newcomers this month as well as members celebrating multiple years of recovery and visitors from other groups. We have a fellowship night once a month. This month we had a cook out at Wellington lake with swimming, corn hole, food and a campfire meeting with about 20 people in attendance. For the month of July we will be having smores after a meeting. Thank you for the opportunity to serve we have a 20 dollar donation for area

June Literature Report

Hello Area,

Sorry that I am unable to attend Area today. First off I got a new computer so I actually have a report today. I have all of this months and last month's transactions in this report. I did have a few sales and placed an order with NAWS last month as well. I have also been looking at our literature inventory and I have come up with what I think would be beneficial to keep on hand. More coins, keytags, IP's, and books are the main things. I would eventually like to see our inventory increase by about \$1,500.00. That would put our inventory total around \$3,500.00 when it is fully stocked. I would also like to be able to keep an escrow amount of \$1,500.00 on hand so that orders can be placed from the literature escrow. So any ideas for a fundraiser would be gratefully appreciated. Please feel free to reach out to me with any questions or concerns your group may have. Listed below are my transitions for the month.

Starting Escrow	\$503.04
Literature Sold	\$626.64
NAWS Order	\$973.68
Shipping Reimbursement	\$76.74
Ending Escrow	\$232.74
