GSR Report for Together We Can

Hello Family,

Things are going good at the Together We Can group in Burlington. We are having anywhere from 4 to 11 members showing up a week, with new people coming in the door frequently. We unfortunately have yet to decide on a design for our banner, but hopefully we will finalize a banner design and get one made. Today we have a twenty dollar donation for the group.

In loving service,

Rich A - GSR

Greetings Area Family;

Last Chance group in Eureka continues strong and carrying the message with steady and increasing meeting attendance (Tuesdays 7:30pm).

Tonia researched potential facilities for holding JFT Area meetings and found Greenwood Hotel to be the best potential venue. Cost would be \$50 for 6 hours or less. The venue is lovely and very nice. There is only a catering kitchen however, no stove/oven. Food would need to be kept warm in crock pots, roasters or other electric appliances. See pics and link posted in JFT area FB page. There are no facilities in Eureka available on Sundays with a full kitchen. Hamilton Community Center in Hamilton (approx 18 miles North on 99 Highway) is the only other facility in the area that might be available to us.

No other news to report.

Grateful to be of service,

Randy R (GSR)

Tonia R (Alt GSR, secretary)

Sowing the Seed Group Report

Sowing the Seed group is meeting regularly. We no longer have meetings at the second location at noon. The members that attended the second location decided to create a non-NA mtg.

Scott removed the second meeting location from the Area and Region website.

Our group has been struggling with meetings occurring for some days. We resolved the issues and all meetings are occurring. The GSR for the group will be open for election in March, due to non-attendance.

The checking account is unable to be accessed at this time. 3-10 people attend regularly.

We have a strong core group of addicts making the dream of recovery a reality.

Greeting Area family, I am eager to begin planning for our 2023 MoM campout. I am grateful for Mark S. for helping to lock down the campsites at Big Hill Reservoir on March 22 marking the 10 months before the campout. I would suggest the we start thinking about Speakers for the campout. Take this along with any other submissions for artwork and theme ~~for~~ for this year's event back to groups as we will be voting for this by May's ALE business meeting. That is all I have to report at this time. Thank you for letting me serve.
