Pioneer Group Report

Howdy y'all

Lots of exciting things going on at Pioneer group! We are going to have our annual Pioneer Group campout June 28th-30th at Council grove lake Santa Fe Trail group campsite. To help fund that campout we are having a hot dog eating contest on April 6th at our home group. There will be a hot dog bar for those who are not participating starting at 4:30 and then the contest starts at 5pm to see who can eat the most hot dogs in 10 minutes. People will "pledge their money" to the person they think is going to eat the most. After that there will be a speaker, auction and a raffle to end the night. I have flyers for both of those events so make sure you grab one to take back to your group before you leave today. Our H&I is also holding a "training day" February 22 at 6:30pm, for our members who are wanting to take meetings into the jail or others who are willing to come help us start taking in meetings to the jail. Our group is also working on trying to set up a venmo or cashapp for our group so if anyone knows how to do that, your advice would be appreciated. Birthdays for the month of January were; Gabby and Tyler with 30 days, Michelle with 90 days, Chad with 6 months, Kat and Kelly with 9 months, Kassie with 1 year, Vicki with 2 years and Suzie with 19 years! As of our last business meeting in January, I, Grace M, was voted in as the GSR. Our group also discussed their feelings on if they thought area should have a budget or not and the conclusion was yes they should to help maintain accountability and structure. We also voted

on the motion from region on purchasing the Wordpress Plugin so I have brought back that decision today.

In Loving Service,
Grace M.

Howdy folks

Not much to talk about, I apologize for missing the motion to spend \$29.00 for a web extension. We do need that vote today.

MARCNA 39 needs NA Books donated for newcomers on Saturday night. I have the schedule for Regional Meeting next weekend. And it is a Convention fundraiser please come and support them.

The Alternate RD wanted to have a meeting about the new meeting finder. That Scott talk about and has handled for us. Ron than canceled the meeting but did send me what he was going to talk about. And I don't really understand why we (meaning World Service Office) is not migrating BMLT to the rest of the World. I will submit that paperwork but again I'm not sure how much input we as an Area have in this.

The new Mid America Newsletter is out for your reading pleasure. I will forward that to the secretary also.

In Service Rod D.

Greetings A&E Family,

I don't have much new to report but I am excited to help put on this P.R./H+I Fundraiser today! I ~~appreciate~~ appreciate all of the assistance and team work to make these events possible. I am also grateful that I had to step out of my comfort zone and cook 10 lbs of hamburger for the spaghetti. It wasn't nearly as difficult as I thought it would be! I LOVE you all so much and can't wait to have this event to raise funds for such important and necessary causes for Recovery! That's all I have for now. Thanks for letting me serve!

SKylar G.
