OLD BUSINESS

- Budget- tabled to next Area while the Area Chair gathers treasurer information
- Letter of redress from the Region – a possible region inventory may happen, and the Region Chair may be drafting a letter to the Area
- Website selling – tabled to next Area
- Region Motions – discussion; motion attachments are what the changes will represent – each group will have to go to the Region website and pull the current policy to see what has changed. The attached motions and document are vague and do not list specific duties. Treasurer oversight, Treasurer, Soul-to-Soul treasurer committees all need the same motion approved if there is going to be a revision made to the policy. Much discussion about current voting due to lack of information available – Rod will reach out to the Region and see if any information can be added from the Region Chair and provided through the secretary to the groups.

NEW BUSINESS - NONE
